

April 12, 2023

Dear Parents/Guardians,

OCPS Extended Day has been mindful about raising the cost for our before and afterschool programs. Over the years, we have kept our costs low, while making sure students were safe, supervised and provided them with enriching activities. Due to a number of changing factors, beginning in August 2023, before and after school fees will increase \$8.40 per service. While we are aware of the times we live in, the cost of providing quality programs and supplies has increased over the years. In September 2021, OCPS increased the minimum wage for all hourly workers to \$15/hour, in order to meet the new minimum wage increase legislation.

Below is the Tuition chart with the increase breakdown.

The enrollment deposit is double the weekly fee.

Year	Registration Fee	Before School Program	After School Program	Before & After School Program
		Proposed Tuition	Proposed Tuition	Proposed Tuition
2023-2024	\$12.00/child	\$27.40/child	\$42.40/child	\$52.40/child
Year	Registration Fee	Before School Program Deposit	After School Program Deposit	Before & After School Program Deposit
2023-2024	\$12.00/child	\$54.80/child	\$84.80/child	\$104.80/child

Feel free to reach out if you have any questions.

Thank you,

Ms. Noelle
