2024 North Cluster

Track & Field North Cluster Meet

Hosted by Evans High School - April 17, 2024

On behalf of the Mighty Trojan Family, I want to welcome you to Evans High School for the North Cluster Middle School Track Meet scheduled for **Wednesday, April 17, 2024 @ 5:00 PM**. We have a new rubberized track and excellent facilities I know you will enjoy. My name is Gregory A. Thompson, Director of Athletics here at Evans High School. I would like to take this opportunity to share a few things before your arrival.

Direct Athletics has agreed to handle the timing for the meet. According to the Program Coordinator, Kevin Neff, the timers plan to arrive approximately 2 hours prior to the start of the meet. I will communicate with the timers to ensure they have whatever assistance they need for the event. The coaches meeting scheduled to begin at 4:30. If an emergency occurs, please contact me, Gregory Thompson at gregory.thompson@ocps.net or Kevin Neff at kevin.neff@ocps.net

Head Athletic Trainer, Ms. Edwards will provide the AT Care for the cluster meet. Ms. Edwards and her team is located in the middle of the football Field to assist what needs or care requested. We asked that coaches escort athletes to the AT Unit.

Please review the MAP of the school and adhere to the designated areas for the meet. If you want to **bring a tent** or just select an area on the basketball court for your team, I do suggest that you bring straps to secure the tent to the fence that surrounds the basketball court. We also asked that you help keep your area clean. There are several trashcans placed around the stadium for your convenience.

Field Events: 5:00 PM:

Long Jump B/G

Shot Put B/G

Each School must bring their 8lb shot to warm-up. The meet coordinator will provide the official shot.
